

## Environmental Policy

**Quick Respond Security** is committed to the adoption of environmentally responsible policies and practices, together with the regular review of both its ongoing performance and also the inherent scope for further improvements. Through heightened staff awareness the company aims to create and maintain the highest levels of environmental responsibility.

The company maintains a fundamental belief in the importance of protecting the environment and will take all necessary steps within its powers to eliminate or control environmental hazards by:

- Striving to adopt the highest possible environmental standards in all its operations, wherever these are located.
- Aiming to achieve the most economical use of all materials, supplies and energy by using renewable or recycled materials wherever possible.
- Keeping itself fully informed of best practices elsewhere.
- Minimising waste produced in all parts of the business.
- Encouraging similar environmental standards to be achieved by all third parties involved with its business.
- Encouraging employee involvement in positive environmental action.
- Regularly assessing the environmental impact of all its operations.
- Communicating its policy to customers and employees.
- Committed to comply with all applicable legal requirements and with other requirements which QRS subscribe in relation to our environmental aspects.
- QRS are committed to the continual improvement of its environmental standing and prevention of pollution.

All company employees have a responsibility towards the environment in which they live and work. It is the duty of all concerned to demonstrate both a responsible attitude and also a commitment to the company's objectives.
